Products and materials

Landscaping involves so much more than just creating a space. It's about inviting the seasons in and building a living area that is conducive to life's happiest moments. Rethink nature and welcome harmony into your space.

PLEASE NOTE: THE COLOURS OF THE PRODUCTS SHOWN IN THIS CATALOGUE ARE AS ACCURATE AS THE PHOTOGRAPHS AND PRINTING PROCESS WILL ALLOW. SINCE ALL PERMACON PRODUCTS ARE MADE FROM NATURAL MATERIALS, SUCH AS SAND AND STONE THAT MAY CHANGE OVER TIME, COLOUR AND TEXTURE VARIATIONS ARE TO BE EXPECTED. WE STRONGLY RECOMMEND THAT YOU MAKE YOUR FINAL COLOUR SELECTION BASED ON A CURRENT PRODUCT SAMPLE RATHER THAN EXISTING PROJECTS OR THE PHOTOGRAPHS SHOWN HERE. IN ORDER TO SIMPLIFY THE SELECTION PROCESS, THE SAME COLOUR NAME MAY BE FOUND IN VARIOUS PRODUCTS. THIS IS MEANT TO COORDINATE PRODUCTS WITH SIMILAR COLOUR TONES, AND DOES NOT IMPLY PRECISE COLOUR MATCHING.

A photograph of an outdoor dining area. In the foreground, a white plastic dining table is set with a glass of water with a lime wedge, a tray of water bottles, and a bowl of food. A white plastic chair with a woven backrest and a white cushion is positioned next to the table. The background features a red brick wall covered in green ivy, with warm white string lights draped across it. A large, glowing pendant light hangs from the ceiling. The ground is paved with light-colored stone tiles.

A high-angle photograph of a modern outdoor patio. In the foreground, a dining table is set with a white plate, silverware, and a fringed napkin. The patio is paved with large, light-colored rectangular tiles, with dark grey tiles forming a geometric pattern. In the middle ground, there is a large, dark wicker sectional sofa with several cushions and a white throw blanket. A matching wicker coffee table is in front of it. To the left, a swimming pool is visible, surrounded by a black metal fence and lush greenery. In the background, there are lounge chairs and a large patio umbrella. The overall atmosphere is one of a sophisticated and relaxing outdoor living space.

In addition to being unique and versatile, slabs are available in a variety of finishes, shapes and textures.

Larger and thinner than traditional pavers, slabs blend in with their environment to create an open and sweeping look that cutting-edge designers will love.
